

### **Alabama Tent**

- Our Alabama tent is a strong, personalized and esthetic tent for your garden or terrace.
- The steel frame is available in several colours.
- You have the choice between 3 different frame decorations.
- The roof is a waterproof stretch canvas. You can also get sidewalls with or without windows.
- We are very carefull about the finishing quality of ours tents.

So they have a much longer life than usual tents on the market and they are better for the environment.
